Tropical Fishes From Tricker

Tropical or Exotic fishes are truly a most desirable part of an indoor aquarium. Their striking beauty when placed in a well balanced aquarium is remarkable.

Tropical fish thrive best at a temperature ranging from 72° to 85°.

PLEASE NOTE—Tropical fish showing an asterisk before the name are of a peaceful nature and may be kept in an aquarium with other fish. All containers and packing used in shipping tropical fish must be returned promptly by prepaid express.

PLEASE NOTE: All fish are shipped by express, charges collect.
